## WHO WE ARE ►

**Onward Movement Industries, Inc** provides highly integrated expertise with the depth and resources of a large company and the attention and responsiveness of a small business enterprise. We are certified as a Service Disabled Veteran Owned Small Business (SDVOSB), DBE, HUB Zone, MBE, WBE positioned to offer comprehensive capabilities to government and commercial clients in the southeast region of the US. We are guided by our commitment to the highest levels of integrity, accountability and service to our customers, community and country.

## WHAT WE DO ►

### CONSTRUCTION

From planning and design, to construction, and facility management, we work to solve our clients challenges from concept to close-out, and beyond. Our commitment to building lasting partnerships through genuine relationships is at the foundation of everything we do. We are world-class providers of all aspects of construction services.

### LOGISTICS

From construction aggregate, materials, to heavy construction equipment, we provide our customers with a single point of contact and manage the entire freight movement process resulting in successful one-time pickup and delivery. We are committed to providing services that are streamlined, customer-focused, and managed to the highest quality standards.

### PROJECT MANAGEMENT

Effective program and project management brings ideas to life. OMI represents tried-and-true leadership, deep PM expertise and high-definition efficiencies. We exist to streamline the complex, bringing governance, alignment, financial management, infrastructure and systematic improvements. Our mission is to deliver small and large projects that create long-term progress and economic growth.

## WHO WE SERVE ►

**OMI** is a full service provider, specializing in providing solutions to government, military and Veterans Affairs in the Southeast region of the US. We are a SDVOSB invested in the communities we serve. With our top notch team of professionals, OMI provides premium construction, logistics and project management services. OMI will help you achieve exceptional, cost-effective results that are unparalleled in today's market.
